Dane, Adams, Iowa, Columbia,
Dodge, Sauk, Juneau
and
the northern half of Jefferson
and Green Counties**

INTRODUCTION

The Building and Construction Trades Council of South Central Wisconsin is a labor organization which is comprised of affiliated local unions that represent employees who are involved in almost all aspects of building and construction.

The various trades involved in the Council include: Boilermakers; Bricklayers & Allied Craftworkers; Construction Laborers; Electricians; Elevator Constructors; Glassworkers; Glaziers; Heat and Frost Insulators; Iron Workers; Masons; Operating Engineers; Operative Plasterers and Cement Finishers; Painters; Plumbers; Roofers; Sheet Metal Workers; Steamfitters; Teamsters.

Our Council is affiliated with the Building and Construction Trades Department of the AFL-CIO.

Please make use of this Union Contractors & Suppliers Directory and feel free to call the Council's office for further information when you are planning a building project (erection, construction, remodeling, repairing or maintenance).

Whatever your needs may be, consider the many advantages of using contractors who efficiently utilize the skilled labor pool available through our local union affiliates.

Union Building Tradesmen and Tradeswomen have a proven track record when it comes to cost effectiveness, safety, high quality and timely completion of building projects.

But it isn't just the big projects that set us ahead of all the rest. We want to take care of every building, remodeling, repairing and maintenance need you may have.

Do yourself a favor. The next time you build – build with the best. Please, insist upon an **“ALL UNION”** project.

If you have any questions, feel free to call us at (608) 256-3161.
